What we're about

Calling all Entrepreneurs, Business Owners and those who dream of running their own venture!

If you desire to expand your business network, make more friends, find new customers and become a leader in your community, we have a fun and informal social networking group that is just right for you.

We'll have monthly meetings at coffee shops or neighborhood bars in and around town to connect with others.

MOST EVENTS ARE FREE AND ALL BUSINESS OWNERS & MANAGERS ARE WELCOME.

- No attendance commitment required.
- You can arrive and leave on your schedule.
- Informal bar/restaurant meetings in the evenings.
- Most meetups are between Tuesdays & Thursdays.
- No long sit down meals next to strangers.

Our mission is to encourage business success by recruiting small business owners to give group talks to their peers, potential customers and suppliers and new entrepreneurs to share their expertise and offer words of support and encouragement to their community.

We are also known as a "Pay it Forward" group. You might find your ideal client/customer here in your first meetup but it's more likely you will meet someone who can benefit from goods & services offered by your friends.

By networking to help other business owners and recommending products or services by other members, the benefits of increased sales accumulate to everyone

in the group.

Benefits of networking with us:

You will learn how to avoid unprofitable markets, attract the right customers, block negative critical thinking, be both effective and efficient, understand cash flow and much more.

Though powerful stories and proven strategies, you will learn how to boldly harness your creative force, break free of fear and get your life and business aligned with your values and the market's needs.

With the right knowledge and support, you can design a life and business that embodies strength and boldness that you know you are capable of. See you at one of our meetings soon.

Next meetup?

Reply**Hannah** • Feb 20

I am a recruiter for a roadside assistance call center. Do I have to be a business owner to attend this event?
